The Congregation Beth Hatikvah Religious School is a supplementary school educating our children with a hands on, child centered approach. We strive for our students to learn something new each class, and use what they learn to become understanding individuals who are dedicated to our people's essential principles. Our curriculum includes six content areas to promote building a strong Jewish identity:

- Shabbat and Holidays
- Jewish Values & Customs
- Hebrew and Prayer
- Land Of Israel
- Jewish Literature
- Community and History

Our program includes arts and music, field trips, culinary adventures, and the celebration and participation in Jewish holidays. A typical day at school includes a 15-20 minute service in our sanctuary. The balance of time is split between Hebrew and Judaic studies. Our goal is to provide our students with strong roots from which to grow and to create a love of Jewish learning that will remain with them throughout their lives.
